# WorkCentre 390 Specifications

**T**he Xerox WorkCentre 390 combines Xerox quality and reliability with state-of-the-art printing, faxing, copying and colour scanning capabilities in one compact easy to use machine.

The WorkCentre 390 delivers exceptional laser speed and quality at 10 prints per minute with true 600 x 600 dpi resolution.

With the ability to do two tasks at once, such as print and fax or scan and print, a newly designed control panel, a robust 2MB fax memory and flexibility of interfaces with IEEE 1284 and USB, you'll be more efficient and productive. Even your scanning and document management is made easier with Pagis PRO 2.0 and TextBridge PRO 98 software included.

The WorkCentre 390 is supported by Xerox' 3 Year 'like for like' replacement Warranty, ensuring total peace of mind.
