XD155df Specifications

WORKCENTRE

The Xerox WorkCentre XD155df is a copier/printer that has been designed with the busy small office in mind. It's a digital copier and a laser printer in one unit, with deluxe features including platen copying, an automatic document feeder, automatic two-sided copying, two paper drawers, and the professional-looking prints you'd expect from a laser printer. The XD155df prints up to 8 pages per minute and copies up to 15 pages per minute.

The WorkCentre XD155df is covered by Xerox's 1 year Xpress Repair warranty, with a choice of service options, and unlimited toll-free support from Xerox.

- A 15 cpm copier right out of the box and when connected to a PC, the XD155df becomes an 8 ppm laser printer as well
- 600 x 600 dpi print & copy resolution delivers superior print quality
- Automatic two-sided copying saves paper, filing space, time & money
- The platen glass lets you copy virtually anything, including objects and books
- 30-page Automatic Document Feeder provides automatic hands-free copying of multiple-page documents
- Two paper drawers, each holding up to 250 sheets, allow you to have two different types of paper. A 50-sheet bypass tray is included for printing onto diverse stocks including card stock, envelopes, and labels
- Covered by the Xerox 1 year Xpress Repair warranty, a choice of service options & unlimited toll-free customer support.
